6. **From what federal agency and account are you requesting funds (Please be specific –e.g., Department of Housing and Urban Development, Economic Development Initiatives account)?** FY11.PE0207130F

7. Briefly describe the activity or project for which funding is requested (no more than 500 words).

This project procures cockpit displays for ANG F-15 aircraft. The current displays in the F-15 cockpit require modernization to support upgraded radars, weapons, sensors, and data link capabilities. Replacement of current displays with off-the-shelf modern displays will enhance and increase the lethality of ANG F-15s by more clearly displaying data from on- and off-board sensors. This will increase the effectiveness of the pilot-to-vehicle (PVI) interface, allowing the pilot to make full operational use of current and planned aircraft capabilities.

8. What is the purpose of the project? Why is it a valuable use of taxpayer funds? How will the project support efforts to improve the economy and create jobs in Oregon?

Procurement of F-15 cockpit displays.

9. Has this project received federal appropriations funding in past fiscal years?

No

9a. If yes, please provide the fiscal year, Department, Account, and funding amount of any previous funding.
